PROFESSIONAL SUMMARY

Motivated B.Sc. Computer Science (AI & Data Science) student with knowledge of programming, web development, databases, and basic data science. Detail-oriented with a strong willingness to learn and familiar with documentation, data handling, and basic data management through academic projects.

EDUCATION

B.Sc. Computer Science (AI & Data Science)
Takshashila University, Ongur, Villupuram

CGPA: 9.54/10 | Expected 2027

CORE SKILLS

- Communication Skills
- Data Entry & Data Handling
- Documentation
- Microsoft Word & Excel
- Problem Solving
- Time Management
- Teamwork

TECHNICAL SKILLS

- Programming: C, C++, Java, Python
- Web Development: HTML, CSS, JavaScript, Flask
- Databases: SQLite, MySQL
- Data Science & Machine Learning: NumPy, Pandas, scikit-learn, Matplotlib
- Tools: Git, GitHub, Visual Studio Code

PROJECT

Student Management System | Python, Flask, SQLite, HTML, CSS

- Developed a web-based application to add, view, edit, and manage student records.
- Implemented SQLite database storage and Flask routes for CRUD operations.
- Created separate HTML templates and CSS styling for the application interface.

Online Resume Builder | HTML, CSS, JavaScript

- Built a browser-based resume builder that collects personal, education, skills, projects, and certification details.
- Implemented Local Storage to preserve user-entered resume information between pages.
- Added preview, edit, print, and PDF download functionality using JavaScript.

COURSES & CERTIFICATIONS

- Data Visualization with Python and R
- Data Analysis in Python

- Python 101 for Data Science
- Robots Are Coming! Build IoT apps with Watson AI, Swift, and Node-RED

LANGUAGES

- English
- Tamil
